Freeland, Pa 18224

Re: Public Notification Requirements  
Pine Grove Borough  
PWS ID No. 3540037  
South Tulpehocken Street Water Main Replacement  
Pine Grove Borough, Schuylkill County

Dear Mr. Kavitski:

The Department has received and reviewed your September 20, 2017 correspondence requesting a categorical exclusion on behalf of the Borough of Pine Grove. The proposed project, South Tulpehocken Street Water Main Replacement, as described in the request, appears to be eligible for a categorical exclusion from the State Environmental Review Process (SERP).

Based on this determination, the Borough of Pine Grove is required to publish a notice in a newspaper of general circulation in the project area which includes the name and type of project, location, any impact on user fees, the location where the supporting documents are available for review, and where the public can submit any written comments.

After the 30-day comment period is over, the sponsor must submit a copy of the Public Notice, along with any written comments received and responses to these comments, to me.

Please call me at 570-830-3102 if there are any questions regarding this process.

Sincerely,

Deborah S. Wilkes  
Project Manager  
Safe Drinking Water Program
